

IHRA: An Experiment In Moving From Research to Harmonized Regulations

***18th ESV Technical Conference
Nagoya, Japan
May 22, 2003***

*18th ESV Technical
Conference on the
Enhanced Safety of
Vehicles*

Joseph N. Kianthra Ph.D
Associate Administrator for Applied Research
NHTSA

Roles and Expectations of IHRA

- **Totally Harmonized Standards**
- **Least common denominator for Performance**
- **Same Test Device and Injury Metrics**
- **Same Test Conditions**
- **Tested Once, Accepted Everywhere**

Objective

- **Discussion of Achievements**
- **Roles and Expectations of IHRA**
- **Successes and Failures in Phase I**
- **Steps for Success**
- **Where do we go from here?**

Organization

- **Steering Committee**
- **Technical Working Groups**
 - Side Impact
 - Frontal Impact and Compatibility
 - Pedestrian Protection
 - Biomechanics
 - ITS

Topics For Discussion

- **Objective of IHRA**
- **Organization**
- **Products Expected**
- **Future Directions**
- **Steps for Success**

Panelists

- **Dr. Bernd Friedel**
- **Mr. Kenji Wani**
- **Mr. Paul Doyle**
- **Mr. Ives Van Der Stratten**
- **Dr. Jac Wismans**
